As the High Priestess of Airoc Court #42 of the Ladies Oriental Shrine in Vermont, I am so proud to announce that we have delivered over 200 handmade tied blankets, over 800 knitted hats and scarves, many handmade pillowcases, and many sensory toys and craft items just this year. The Child Life programs at the Shriners Hospitals and Clinics in Montreal, Boston, Springfield, Philadelphia and, as of today, Shriners Childrens Erie are so appreciative of these special gifts.

I would personally like to thank the members and friends of Airoc Court who have been so busy making the blankets, sewing the pillowcases, and knitting the hats and scarves. And kudos goes to the United Women of Faith for the grant we receive each year that provides the funds for many of the blanket kits and yarn for the hats. As I visit each of the hospitals and clinics, I'm reminded about how many lives we actually are touching. For us.....it's all about the kids!!
