UPDATE--MONDAY NOON: THE BOTTLES HAVE BEEN DELIVERED!!! And the rain has stopped. Its a beautiful day in Ohio!!!

We found out that an average of 5-6 tractor trailer loads leave there EVERY DAY filled with medical supplies, medical appliances, clothes, backpacks, etc. Most are going to the airports to be shipped to third world countries but some goes to areas of the US that are in need.

SUNDAY:

On the road again!! Third trip this year to Matthew 25 Ministries in Cincinnati. Thanks to all who save and process the pill bottles for us.

Even in the rain, the foliage is beautiful in southern NYS and Ohio.
